

Whiteshell X-C Ski Club Trails

The Whiteshell Cross Country Ski Club is a volunteer organization dedicated to providing excellent cross country ski trails to its members and visitors to the Pinawa area. We have over 40 km of scenic tracked trails for classic skiing, 5 km of which are packed for skating. There are 3 warming huts with wood stoves providing a place for a cozy lunch or rest stop.

GOLF COURSE TRAIL, 6.6 km, Easy with Optional Difficult Hills
Our easiest trail can be cold on windy days.

RED TRAIL, Moderate
A 2 km short loop, 5.5 km main loop, and a 1.7 km extension. It is a scenic classic and skating trail through forest offering good protection from wind.

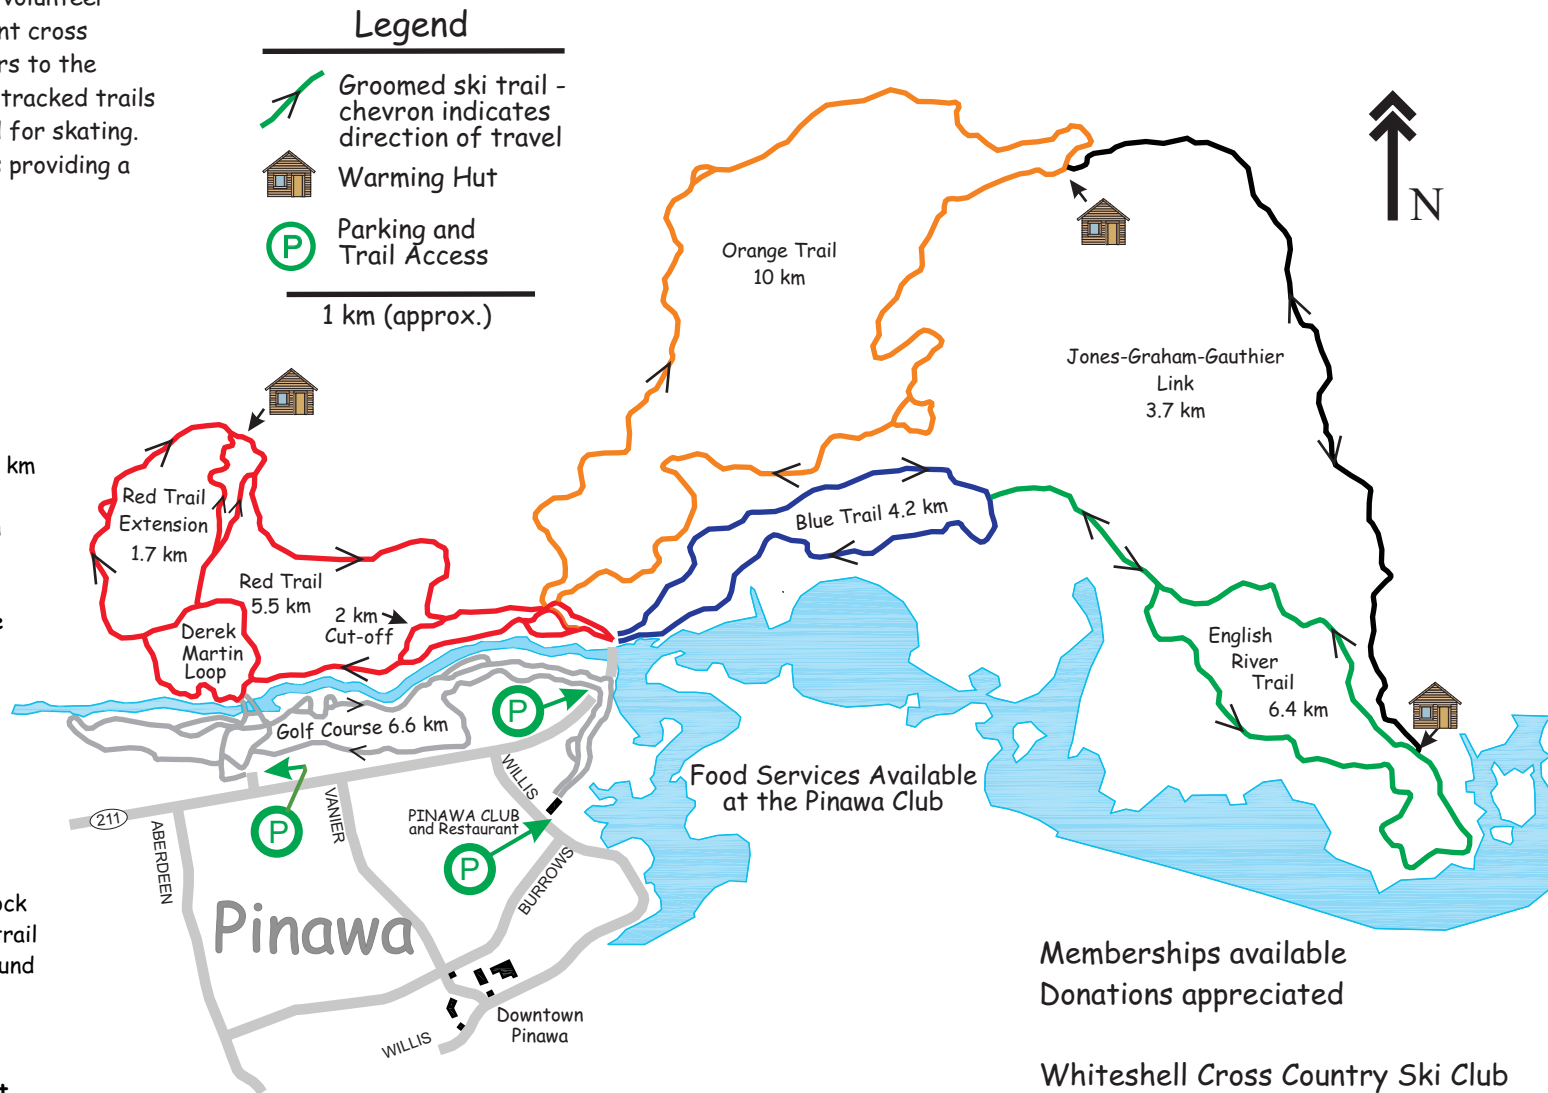

DEREK MARTIN LOOP, 0.7 km, Moderate
Part of the RED TRAIL with challenging hills.

BLUE TRAIL, 4.2 km, Moderate
More difficult than the Red trail, with more small hills. Quite scenic.

ORANGE TRAIL, 10 km, Difficult
Passes through mixed forest and over high rock ridges, with some of the biggest hills on our trail system. A warming hut is located halfway around at the junction of Jones-Graham-Gauthier Link.

ENGLISH RIVER TRAIL, 6.4 km, Difficult
A scenic trail with an overlook of Otter Falls on the Winnipeg River.

JONES-GRAHAM-GAUTHIER LINK, 3.7 km, Difficult
Use this bi-directional link to create a scenic and challenging, 15-km, two-hut tour.
